# Resolutions

## **Resolution 1 – Re-election of David Chiam Joy Yeow as Director**

Article 87 of the Company's Constitution provides that at least one Director must retire from office at each annual general meeting unless there has been an election of Directors earlier that year. Article 89 of the Articles of Association provides that a retiring Director shall be eligible for re-election.

ASX Listing Rule 14.5 also provides that an entity which has Directors must hold an election of directors at each annual general meeting.

In accordance with Articles 87 and 89 of the Company's Constitution and ASX Listing Rule 14.5, David Chiam Joy Yeow, having retired from office, and being eligible, offers himself for re-election pursuant to Resolution 1.

David was appointed to the Board of the Company on 4 July 2017 and has over 17 years of experience in the legal and governance sectors. Having begun his legal career in 2 reputable law firms in Malaysia specialising in intellectual property and brand protection law, he then undertook a 5 year government stint in 2004, handling a wide range of legal, administrative and policy matters for the Malaysian Ministry of Youth and Sports and subsequently the Ministry of Tourism. Having left government service David returned to the corporate sector by joining British American Tobacco Malaysia in 2010 as its Senior Legal Counsel and was subsequently promoted as Head of Legal and Secretarial Services in 2015. In June 2017 David assumed his current role as Legal Director and Company Secretary at Dairy Farm Malaysia, a multi banner grocery and health & beauty retail operator in Malaysia and Brunei. In late 2018, David also assumed the role as Legal Director for the Dairy Farm Singapore business.

David is currently listed amongst the top 100 General Counsels in the 2018 GC PowerList SouthEast Asia by Legal 500.

David holds a Bachelor of Laws (LLB) and Bachelor of Arts (Political Science) from the University of Melbourne, Australia. He is also a licensed Company Secretary with the Companies Commission of Malaysia.

### **Directors' recommendation**

The Directors (excluding David Chiam Joy Yeow) recommend that Security Holders vote for this Resolution.

## **Resolution 2 – Approval of Re-appointment of Auditor**

The current auditors, RSM Chio Lim LLP, were appointed as auditor of the Company on 7 May 2018. Section 205(2) of the Companies Act states:

"A company shall at each Annual General Meeting of the Company appoint a person or persons to be the auditor or auditors of the Company, and any auditor or auditors so appointed shall, subject to this section, hold office until the conclusion of the next Annual General Meeting of the Company "

The Board has been satisfied with the services of RSM Choi Lim LLP as auditor of the Company and thanks RSM Chio Lim LLP for these services and proposes to re-appoint them as auditor of the Company for the 2019 financial year.

Resolution 2, being an ordinary resolution, seeks to re-appoint RSM Choi Lim LLP as auditor of the Company until the conclusion of the next Annual General Meeting of the Company and the Directors be authorised to agree the remuneration with said Auditor as deemed appropriate.

**Directors' recommendation**

The Board of Directors recommend that Security Holders vote for this Resolution.

### **Resolution 3 – Approval of Directors' Emoluments**

Section 169 of the Companies Act requires that Directors' emoluments (which includes fees as well as non-cash benefits) in respect of their office as such be approved by Security Holders.

Security Holders previously set the maximum aggregate Directors' fees for the financial year ended 31 December 2018 at AUD\$160,000 of which only AUD\$85,000 was paid to Directors as remuneration.

Whilst at this stage the Board does not currently anticipate that the full \$160,000 remuneration pool will be used during the 2019 financial year, the Directors believe that it is appropriate for the pool to remain at this level for the year to ensure the Board has the flexibility to appoint and remunerate new additional director(s) should it deem it necessary.

Listing Rule 10.17 provides that the Company may not increase the total aggregate amount of Directors' fees payable to all of its non-executive directors without Security Holder approval.

Resolution 3 therefore, seeks approval for the proposed maximum aggregate Directors' fees payable to all of its non-executive directors to be set at \$160,000 for the financial year ending 31 December 2019. The total amount of non-executive directors fees payable includes superannuation contributions made by the Company for the benefit of non-executive directors and any fees which a non-executive director agrees to sacrifice on a pre-tax basis.

No securities were issued to a non-executive director under Listing Rule 10.11 or 10.14 with Security Holders approval at any time within the last 3 years.

The proposed level of permitted fees does not mean that the Company must pay the entire amount approved as fees in each year. However, the Board considers that it is reasonable and appropriate to establish this amount as this will provide the Company with the flexibility to attract appropriately qualified Directors and to act quickly if the circumstances require it.

The Remuneration Committee reviews and approves the Company's remuneration policy in order to ensure that the Company is able to attract and retain executives and directors who will create value for Security Holders, having regard to the amount considered to be commensurate for an entity of the Company's size and level of activity as well as the relevant Directors' time, commitment and responsibility.

Resolution 3, being an ordinary resolution, seeks approval for the proposed maximum aggregate Directors' fees of \$160,000 for the financial year ending 31 December 2019.

**Directors' recommendation**

The Board of Directors recommend that Security Holders vote for this Resolution.

## Resolution 4 – Approval of Authority to Issue Shares and Instruments

Section 161 of the Companies Act requires that the issue of any new Shares or other securities in the Company be approved by Security Holders.

Resolution 4 therefore seeks approval for the Directors to be empowered to issue Shares or convertible securities in the Company from the date of the Meeting to the conclusion of the next annual general meeting of the Company or the date by which next annual general meeting for the Company is required by law to be held, whichever is the earlier.

This authority will, unless revoked or varied at a general meeting of the Company, expire at the conclusion of the next annual general meeting of the Company.

Resolution 4 is not seeking approval for:

- (a) the issue of securities in the Company pursuant to the requirements of Listing Rule 7.1 or Listing Rule 7.1A; or
- (b) the issue of securities to related parties, pursuant to the requirements of Listing Rule 10.11 or Listing Rule 10.14.

Resolution 4 will therefore be subject to the Listing Rules, in particular:

- (a) Listing Rule 7.1, which provides that the Company must not, subject to specified exceptions, issue or agree to issue more securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period;
- (b) Listing Rule 10.11, which provides that the Company must not issue new securities to a related party without Security Holder approval; and
- (c) Listing Rule 10.14 which provides that the Company must not issue new securities under an employee share plan to a Director or an associate of a Director without Security Holder approval.

Resolution 4 is an ordinary resolution.

### **Directors' recommendation**

The Board of Directors recommend that Security Holders vote for this Resolution.

## Resolution 5 – ASX Listing Rule 7.1A Approval of Future Issue of Securities

ASX Listing Rule 7.1A enables eligible entities to seek Security Holder approval by Special Resolution passed at an annual general meeting to issue equity securities (which must be in the same class as an existing quoted class of equity securities of the Company) which do not exceed 10% of the existing ordinary security capital without further Security Holder approval. The ability of the Company to make an issue under Listing Rule 7.1A is in addition to its 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation less than the amount prescribed by ASX (currently \$300 million).

As of the date of this Notice of Meeting, the Company is an eligible entity. If at the time of the Meeting the Company is no longer an eligible entity this Resolution will be withdrawn.

Approval under this Resolution is sought for the Company to issue equity securities under Listing Rule 7.1A.

If this Resolution is approved the Company may make an issue of equity securities under Listing Rule 7.1A at any time (either on a single date or progressively) up until the earlier of:

- (a) the date which is 12 months after the date of the 2018 Annual General Meeting; or
- (b) the date on which Security Holders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

Accordingly, the approval given if this Resolution is passed will cease to be valid on the earlier of 29 May 2020 or the date on which holders of the Company's securities approve a transaction under Listing Rules 11.1.2 or 11.2.

The maximum number of equity securities which may be issued in the capital of the Company under the approval sought by this Resolution will be determined in accordance with the following formula prescribed in Listing Rule 7.1A.2:

**(A x D) – E**

where:

- A** is the number of equity securities on issue 12 months before the date of issue or agreement to issue:
- (i) plus the number of equity securities issued in the 12 months under an exception in Listing Rule 7.2;
  - (ii) plus the number of partly paid equity securities that became fully paid in the 12 months;
  - (iii) plus the number of equity securities issued in the 12 months with approval of the holders of equity securities under Listing Rules 7.1 or 7.4 (this does not include an issue of equity securities under the entity's 15% placement capacity without Security Holder approval); and
  - (iv) less the number of equity securities cancelled in the 12 months.
- D** is 10%.
- E** is the number of equity securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of holders of equity securities under Listing Rules 7.1 or 7.4.

The ability of the Company to make an issue under Listing Rule 7.1A is in addition to its 15% placement capacity under Listing Rule 7.1. The effect of this Resolution will be to allow the Company to issue equity securities under Listing Rule 7.1A without using the Company's 15% placement capacity under Listing Rule 7.1.

As at 2 May 2019, the Company has on issue a total of 262,500,000 securities and therefore has capacity to issue:

- (a) 39,375,000 equity securities under Listing Rule 7.1; and
- (b) subject to Security Holder approval being sought under this Resolution, 26,250,000 equity securities under Listing Rule 7.1A.

The issue price of the equity securities issued under Listing Rule 7.1A will be determined at the time of issue. The minimum price at which the equity securities, the subject of this Resolution, will be issued is 75% of the volume weighted average market (closing) price (**VWAP**) of the Company's equity securities

in that class over the 15 days on which trades in that class were recorded immediately before either:

- (a) the date on which the price at which the equity securities are to be issued is agreed; or
- (b) if the equity securities are not issued within 5 ASX trading days of the date in paragraph (a) the date on which the securities are issued.

If this Resolution is approved, and the Company issues equity securities under Listing Rule 7.1A, the existing Security Holders' economic and voting power in the Company will be diluted. There is a risk that:

- (a) the market price for the Company's equity securities in that class may be significantly lower on the issue date than on the date of the approval of this Resolution; and
- (b) the equity securities issued under Listing Rule 7.1A may be issued at a price that is at a discount (as described above) to the market price for the Company's equity securities on the issue date;

which may have an effect on the amount of funds raised by the issue.

The table set out below shows the dilution of existing Security Holders on the basis of:

- The market price of the Company's Chess Depository Interests and the number of equity securities as at 2 May 2019.
- Two examples where the number of equity securities on issue ("A") has increased, by 50% and 100%. The number of securities on issue may increase as a result of issues of securities that do not require Security Holder approval (for example, pro-rata entitlements issues) or as a result of future specific placements under Listing Rule 7.1 that are approved by Security Holders.
- Two examples of where the issue price of securities has decreased by 50% and increased by 100% as against the market price as at 2 May 2019.

Variable "A" ASX Listing Rule 7.1A.2		Dilution		
		\$0.0035 50% decrease in issue price	\$0.007 issue price **	\$0.014 100% increase in issue price

	Funds raised	\$137,812.50	\$275,625	\$551,250

	Funds raised	\$183,750	\$367,500	\$735,000

Notes:

- (i) The table assumes that the Company issues the maximum number of equity securities available under Listing Rule 7.1A.
- (ii) The table assumes that no options are exercised in equity securities before the date of the issue of equity securities under Listing Rule 7.1A.
- (iii) The table does not show an example of dilution that may be caused to a particular Security Holder by reason of issues of equity securities under Listing Rule 7.1A based on that Security Holder's holding at the date of this Explanatory Statement.
- (iv) The table shows the effect of an issue of equity securities under Listing Rule 7.1A, not under the Company's 15% placement capacity under Listing Rule 7.1.
- (v) The issue of equity securities under the Listing Rule 7.1A consists only of equity securities. If the issue of equity securities includes options, it is assumed that those options are exercised into equity securities for the purposes of calculating the voting dilution effect on existing Security Holders.
- \* Any issue of equity securities is required to be made in accordance with the Listing Rules. Any issue made other than under the Company's 15% capacity (Listing Rule 7.1) or the Company's additional 10% capacity (Listing Rule 7.1A) and not otherwise made under an exception in Listing Rule 7.2 (for example, a pro-rata rights issue) would require Security Holder approval.
- \*\* Based on the closing price of the Company's Chess Depository Interests on ASX on 3 May 2019.
- \*\*\* Based on the Company's equity securities structure as at 3 May 2019.

If this Resolution is approved the Company will have the ability to issue up to 10% of its issued capital without further Security Holder approval and therefore allow it to take advantage of opportunities to obtain further funds if required and available in the future.

As at the date of this Explanatory Statement, the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A to any particular person or at any particular time. The total amount that may be raised by the issue of equity securities under Listing Rule 7.1A will depend on the issue price of the equity securities which will be determined at the time of issue. In some circumstances, the Company may issue equity securities under Listing Rule 7.1A for non-cash consideration (for example, in lieu of cash payments to consultants, suppliers or vendors). While the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A, some of the purposes for which the Company may issue equity securities under Listing Rule 7.1A include (but are not limited to):

- (a) raising funds to further develop the Company's business;
- (b) raising funds to be applied to the Company's working capital requirements;
- (c) acquiring assets. In these circumstances, the issue of the equity securities may be made in substitution for the Company making a cash payment for the assets; and
- (d) paying service providers or consultants of the Company.

Details regarding the purposes for which any particular issue under Listing Rule 7.1A is made will be more fully detailed in an announcement to the ASX made pursuant to Listing Rule 7.1A.4 and Listing Rule 3.10.5A at the time the issue is made. The identity of the allottees of equity securities under Listing Rule 7.1A will be determined at the time the Company decides to make an issue having regard to a number of factors including:

- (a) the capital raising and acquisition opportunities available to the Company and any alternative methods for raising funds or acquiring assets that are available to the Company;

- (b) the potential effect on the control of the Company;
- (c) the Company's financial situation and the likely future capital requirements; and
- (d) advice from the Company's corporate or financial advisors.

Offers made under Listing Rule 7.1A may be made to parties (however, excluding any related parties) including professional and sophisticated investors, existing Security Holders of the Company, clients of Australian Financial Service Licence holders and/or their nominees, or any other person to whom the Company is able to make an offer of equity securities.

The allocation policy the Company may adopt for a particular issue of equity securities under Listing Rule 7.1A and the terms on which those equity securities may be offered will depend upon the circumstances existing at the time of the proposed capital raising under Listing Rule 7.1A. The Company has not previously obtained Security Holder approval under Listing Rule 7.1A

#### VOTING UNDER STEP 1 - APPOINTING A PROXY

If you wish to appoint someone other than the Chairman of the Meeting as your proxy, please write the name of that Individual or body corporate. A proxy need not be a Shareholder of the Company. Otherwise if you leave this box blank, the Chairman of the Meeting will be appointed as your proxy by default.

#### DEFAULT TO THE CHAIRMAN OF THE MEETING

Any directed proxies that are not voted on a poll at the Meeting will default to the Chairman of the Meeting, who is required to vote these proxies as directed. Any undirected proxies that default to the Chairman of the Meeting will be voted according to the instructions set out in this Proxy Voting Form, including where the Resolutions are connected directly or indirectly with the remuneration of KMP

#### VOTES ON ITEMS OF BUSINESS – PROXY APPOINTMENT

You may direct your proxy how to vote by marking one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

#### APPOINTMENT OF SECOND PROXY

You may appoint up to two proxies. If you appoint two proxies, you should complete two separate Proxy Voting Forms and specify the percentage or number each proxy may exercise. If you do not specify a percentage or number, each proxy may exercise half the votes. You must return both Proxy Voting Forms together. If you require an additional Proxy Voting Form, contact Automic Registry Services.

Completion of a Proxy Voting Form will not prevent individual Shareholders from attending the Meeting in person if they wish. #### POWER OF ATTORNEY
